SR 520 Portage Bay Bridge and Roanoke Lid Project

SR 520 Portage Bay Bridge and Roanoke Lid Project

Noise Monitoring Weekly Report Summary for **Monday, September 29, 2025** to **Sunday, October 5, 2025**

PUBLISHED October 8, 2025

Monitoring times: Weekdays, 10 p.m. to 7 a.m.; weekends, 10 p.m. to 9 a.m.

How to use this report: This document summarizes the weekly nighttime noise data for the Portage Bay Bridge Project. In it, you'll find:

- Page 1 - Summary of noise levels recorded above the limits allowed under the Major Public Project Construction Noise Variance, for this week and throughout the project. This includes non-project-related noise exceedances
- Page 2 - Map of the project limits and locations of the eleven stationary monitor locations
- Pages 3 – 9 - Night-by-night noise recordings for each of the project noise monitors, along with a description of the work that night, comments received from the public regarding Project noise, and explanations for any noise limit exceedances and actions taken in response
- Page 10 - Log of public comments regarding nighttime noise issues and resolutions for the week

WSDOT is sharing this information as per the terms of the Major Public Project Construction Noise Variance (Permit [#6903010](#)).

MPPCNV start date: **February 5, 2025**

MPPCNV days to date: **243**

Impact work days to date: **0**

WEEKLY TOTALS

Nights worked this week (under the MPPCNV)	5
Project related non-compliance this week	0
Nighttime noise issue comments to the project	0
Non-project-related noise exceedances this week	44

PROJECT TOTALS TO DATE

Total Nights Worked (under the MPPCNV)	104
Total Project related non-compliance	2
Total noise issue comments to the project	3
Total non-project related exceedances	1822
Total TNV permits to date	8

The map displays the University of Washington campus and surrounding areas. Key features include:

- Water Bodies:** Lake Washington, Portage Bay, and Montlake Cut.
- Major Roads:** Ship Canal Bridge, Boyer Ave E, SR 520, and various local streets like E Louisa St, E Miller St, and E North St.
- Landmarks:** University of Washington, Broken Island, and Evergreen Pt F.
- Noise Observation Points (NOI):**
 - NOI_06: Located near Eastlake Ave E and Franklin Ave E.
 - NOI_01, NOI_02, NOI_03: Located near Boyer Ave E and E Hamlin St.
 - NOI_04: Located near Boyer Ave E and E Miller St.
 - NOI_05: Located near E Miller St and E Louisa St.
 - NOI_08: Located near E Louisa St and E Miller St.
 - NOI_09, NOI_07: Located near E Louisa St and E Miller St.
 - NOI_11: Located near E Hamlin St and E North St.
 - NOI_10A: Located near E North St and SR 520.
 - NOI_10 Decommissioned: Located near E North St and SR 520.
